Open the door to your future

Your journey starts here

Welcome to the University of Central Lancashire Cyprus

UCLan Cyprus Rector, Prof. Panikkos Poutziouris
WELCOME ADDRESS

A warm welcome to the University of Central Lancashire Cyprus (UCLan Cyprus), the Enterprising British University, delivering educational and training programmes to local and international students, but also to professionals living and working in Cyprus and beyond.

The vision of the University of Central Lancashire Cyprus is to be recognised as a world-class, research-led University, competing successfully and sustainably within a national and international market. We are a University that is recognised for its commitment to outstanding teaching and practical learning, impactful research, innovative thinking and knowledge transfer that adds value to socio-economic and scientific development across frontiers.

Our faculty, scholars and research partners are distinguished for pioneering initiatives and engagement with industry, professions, entrepreneurs and stakeholder communities. The interaction of research and knowledge transfer with high quality educational and training programmes ensures a currency of knowledge and skills development that will in turn lead graduates to employability routes and access to Postgraduate activities.

Join us in your journey of learning and continuous professional development. Become a partner in our cooperative approach to research exploration, innovation and enterprise.

Our mission is to grow via smart strategies and international partnerships, building excellence in curriculum, teaching and learning, executive and professional training, innovative research, knowledge transfer and entrepreneurship in all fields.

In our continuous efforts to support the student experience, we are engaging strategically with vital partners including our UCLanian army of

alumni, to open opportunities for internships and to broaden the horizon for cooperation in terms of continuous professional development, research and innovative initiatives.

Internationalisation remains core to the University of Central Lancashire Cyprus (UCLan Cyprus), ambition and we will continue to develop our international engagement and reputation.

Our aim is to provide students with an international experience, increasing their intercultural awareness and to better prepare them for mastering the complex challenges facing our global economy and society. We invest in international exchanges and mobility of faculty, staff and students across UCLan UK, other globally ranked Universities as well as Corporate Partners.

We hope you are as enthusiastic as we are about our University's aspirations and we certainly look forward to taking pride in your progress and success.

Professor Panikkos Poutziouris,
BA Economics, MBA, PhD (University of Nottingham)
Rector

#UCLanians

People EXPERIENCING an
**awesome student life at the only
world-class British University
in Cyprus.**

#UCLanians are happy to have you here!

Over the past few years, **#UCLanians** have been unstoppable! They said yes to new adventures and reached the highest edge of Troodos Mountains and the highest pitch of Greece. They even managed the impossible and hiked in Kutaisi Mountains, Georgia, experiencing 3 different temperatures.

#UCLanians won the National Competitions of Judo and University Sambo Championship. They accepted Dorians Challenge, participated in Larnaka International Marathon for three consecutive years and willingly contributed in cleaning Cyprus' beautiful beaches in just one day with Let's Do It Cyprus. Besides lectures, tutorials and assessments, #UCLanians' academic calendar includes countless parties, clubs and society activities, charity or fundraising events and participation in the greatest conferences, events and guest lectures of Cyprus.

Some activities include the:

- Business Innovation Awards,
- Code Cyprus,
- 1st Cyprus Science Festival,
- Become a Lawyer for a day,
- Digital Championship,
- Business Escape Challenge

but also European and International ones gaining unique experiences that will guide them throughout their life. And of course the best is yet to come! #UCLanians promise you a great student experience while you are studying at the only British University of the island.

To find out more, follow **#UCLanians** on **Facebook, Instagram and TikTok**

JOIN #UCLanians CLUBS & SOCIETIES OR START YOUR OWN!

HOW DO YOU GET STARTED?

Think of hobbies and interests you have and find 5-6 other students who share a similar interest. Join us at the Student Support Office and we will help you 'spread the news' and assist you in setting up the club/society.

EXAMPLES OF CLUBS AND SOCIETIES:

STUDENT SUPPORT

The Student Support Office is the #UCLanians first point of contact for advice and support in all aspects of University life, either face-to-face, by email or phone, or even through the Student Support Services Facebook Pages. A modern and friendly place where #UCLanians can get support and information on various issues concerning their academic study and progress, personal matters and social life.

At the University of Central Lancashire Cyprus (UCLan Cyprus), #UCLanians will have access to a wide and practical range of Student Support Services.

These include:

- > Professional Counseling at the Counseling Center
- > Advice and guidance on how to enhance their academic skills through WISER (a group of services offered to UCLan Cyprus students for the improvement of their English language and learning skills)
- > Support and guidance on disability issues, health, psychological and well-being issues
- > Guidance on student life and events
- > Discounts offered to #UCLanians at shops, cafés, bars etc.
- > International student support; visa information and updates
- > Travelling information

EMPLOYABILITY SUPPORT & CAREER ADVICE

The Student Support Services offer the administration of one of the most well-known, professional career tests to prospective and existing students. This kind of tests enable students to gain accurate insight and a better understanding of the career path that best fits their personality.

Further guidance and support are available during private sessions, where employability and career options are discussed in depth.

During the Employability Days organised every March, prospective and current students have the opportunity to meet company representatives, attend C.V. clinics, join interview and presentation skills workshops, and participate in many more career-enhancing events.

Studying in Larnaka, Cyprus

Situated on the southern coast of Cyprus, Larnaka is well-known for its beautiful clean beaches, great food, and vibrant nightlife. It is the perfect location for a University and its student community.

With only a 4.5 to 5h flight from UK airports, Larnaka Airport is the main airport in Cyprus. It only takes 15 minutes to drive from the airport to the campus of the University of Central Lancashire Cyprus (UCLan Cyprus). A regular bus service is available from the city centre to the campus and vice versa.

Ayia Napa is east from Larnaka and is very famous for its sandy beaches and clear blue waters and of course, its vibrant nightlife in the summer season. Ayia Napa also hosts many restaurants, featuring both local and international cuisine.

THINGS TO DO

Outdoor activities are very common in Larnaka due to the fantastic Mediterranean climate. Water sports, swimming, snorkeling, fishing, walking, cycling and many other activities are available to students.

Interestingly, the crystal clear bays are unusually rich in underwater wreckages for you to explore. There are many qualified and licensed diving instructors and businesses along the beach areas. Inland, there are many historic churches, archaeological sites, museums, galleries, gardens and other tourist attractions. The most notable are probably the Larnaka Fort, built in 1625 on the seafront, Halan Sultan Tekke Mosque and St Lazarus t Lazarus Church built in the 9th century. Natural sites for wildlife and beauty include the Salt Lake on the outskirts of Larnaka, a haven for migratory birds, including flamingos and other waders.

Horse riding, nature walks, camel rides and organised excursions are also available. Alternatively, our more adventurous students can enjoy a day trip inside or outside Larnaka by hiring bikes or quad bikes.

Enjoy your meal, coffee or drink at Makenzy, Phinikoudes, Dhekelia or City Centre, all located within a relatively short distance from the University. Long-awaited Metropolis Mall offers a wide range of shops and restaurants where you can spend your free time or even your break between classes.

Living and studying in Larnaka allows students to flourish in idyllic surroundings whilst receiving a first-class education. What's not to love!

World-Class Facilities

At the cutting edge of technology

The University of Central Lancashire Cyprus is set in a modern, purpose-built University campus with state-of-the-art academic and operational facilities. It incorporates all of what Audio Visual (AV) has to offer in education, but also in the ever-growing professional communication world, such as distance learning facilities, high-end presentation solutions and innovative multi-use spaces.

Students learn in meticulously designed lecture theatres, specialised labs, a moot court room, lecture rooms equipped with interactive whiteboard facilities, seminar rooms and accommodating teaching spaces. Individual and group study spaces allow students to work alone or collaborate on projects.

Our IT infrastructure provides more than 300 software applications, loan of laptops, and free Wi-Fi across the campus. The University of Central Lancashire Cyprus has also won the sought-after title of the 'Most InAVative Education Facility' at the prestigious Europe, Middle East and Africa (EMEA) InAVation Awards, and triumphed over 30 competitors, as well as shortlisted projects from four other University finalists based in England, the Republic of Ireland and Russia.

Audio-visual highlights include smart podium monitors in every classroom, which allow presenters to annotate or draw freehand onto a projected display without the need for a whiteboard and pens.

A video conferencing system allows live streaming, while the entrance foyer video wall is capable of displaying content up to four times full HD video.

Students have the opportunity to study in an environment that suits them, whether it is in the welcoming library or in social areas around the campus.

All online facilities can be accessed off campus and anywhere in the world through the internet.

LIBRARY

The Library provides a comfortable, flexible working environment, boasting a student portal leading to all online resources, access to 300,000 UK and Cyprus e-books and e-journals. It offers a wealth of excellent learning resources, extensive collections of information sources and expert support from Library staff.

In addition to these thousands of books, audio-visual materials and journals, the Library also provides self-service issue and return facilities, online library catalogues, a silent study room and training PC labs with a laptop loan scheme available to all students.

MOOT COURT

The University of Central Lancashire Cyprus is the first University in Cyprus to have its own Court Room. It has been designed to reproduce not only the look and effect of a real court room, but also court rooms of the future.

Fully IT and AV-equipped, with both counsel and judge able to portray their evidence, representations and remarks onto three large projector screens, the Moot Court Room is ideal to be used for practice, training, debating, interviewing, negotiation, advising and arguing.

SPORTS LAB

The Sports Lab at the University of Central Lancashire Cyprus incorporates the latest technological advancements in the sport and exercise fields. In addition to its teaching activities, the Sports Lab provides a full range of tests, metrics and exams to athletes of all abilities and sports, from beginner to professional levels, including ergometric tests delivered by accredited Sport and Exercise Scientists.

COGNITION & DEVELOPMENT PSYCHOLOGY LAB

An innovative lab for all Psychology students following the strict guidelines of the British Psychology Society (BPS). The Cognition & Development Lab of the University of Central Lancashire Cyprus is second to none and includes a dedicated student area, offering a unique experience on real case studies and psychological experiments, a conference area, which accommodates guest lectures from professionals of the industry, and a child observation suite with a one-way mirror.

ENGINEERING LABS

Engineering Laboratories support the BEng (Hons) Electrical & Electronic Engineering Programme. The Electronic Engineering lab is equipped with workbenches and all the necessary state-of-the-art equipment (oscilloscopes, signal generators, probes, analysers, etc.), computers and machinery for students to practice in Electronic Circuits, Digital Electronics, Telecommunications, Microprocessors, Sensors, Programmable Logic, Robotics etc. The laboratory offers a unique hands-on experience for the students which involves all the steps of building electronic systems such as the design, the simulation, the prototyping and the testing.

The Electrical Engineering Lab is intended to emulate a real domestic and/or industrial setting in which students can perform an electrical installation and have a unique hands-on experience in wiring, circuit boards, AC and DC motors, generators, renewable energy sources etc.

The lab is also equipped with Electromechanical Training Systems for practical work on Power Systems on topics such as Power Generation, Power Transmission and Power Consumption.

IMPORTANT NOTES

1. Students who do not have any official English Language qualification or equivalent to the above levels, can take our recognised English Language Admissions test.

Take our University's English Language Admissions Test.

We now offer the online Password English test, which is an internationally recognised English Language University Admissions test created by researchers involved in the development and validation of Language assessments such as IELTS and Cambridge suite.

The Password Knowledge test will test your Reading, Vocabulary, Grammar and Writing and you will be awarded a CEFR-aligned level certificate specifying a score between 3.0 and 7.0 and above. The test can be taken online or at the UCLan Cyprus campus.

You can take the test whether you are a prospective student or not, and you can use your certificate and grade for proof of your English Language Level either at entry at English universities or institutes or at a job application. Please contact us for more information.

In order to take the test, you need to inform our Admissions Office at admissions@uclancyprus.ac.cy or at 24694059 who will guide you on how the test works online, when you can take it, how you can prepare for it, and any steps you need to take in advance, such as the payment of the test fee of €45.

Let's help you prepare for our English Language University Admissions Test.

If you are a student who is thinking of joining UCLan Cyprus yet concerned about the English level or the English Language Certificate and Test, then our English Preparation Courses are perfect for you. Our courses have a 98% success rate and we will take you through all the necessary content to get you to the level you need to secure your place here at UCLan Cyprus.

Please register your interest at: languageacademy@uclancyprus.ac.cy or at +357 24 69 40 99 or +357 24 69 40 83.
